

8th conference Paris 1998

8th conference Paris 1998

In 1998, the 8th EME conference was hosted by Jean Jacques, **F1EHN**, Herve, **F5HRY**, Olivier, **F5MZN** and William, **F6DLA** in Paris, France. At special event at this conference was a trip to the Nancay Radio Observatory where the conference team had just conducted a very successful 1296 EME test using the giant reflector.
